Getting to Independent Vascular Imaging

Complimentary parking is provided for all Independent Vascular/Specialist Vein Care Patients.

Should you not be familiar with the Glen Waverley area, please allow extra travelling time so that the full allocated time is available for your appointment.

Address:

258 Springvale Rd
Glen Waverley 3150

Melways Ref: 71 C2

Preparation

For appropriate Medicare rebates on specialist services provided by Independent Vascular/Specialist Vein Care, a valid *referral form* signed by a medical practitioner is necessary.

Please wear comfortable, loose fitted clothing. You may be required to remove your outer clothing so please wear modest underwear or alternatively bring a pair of shorts with you.

For abdominal ultrasound (including renal arteries and aortic studies), you should be NPO (nothing by mouth). This includes no eating and no smoking for at least 6 hours before the exam. You may drink non gassy fluids and take your regular medication if necessary.
